“ Gerilyn was truly an amazing woman. I had the privilege of knowing her for about 3 years, and in those few years, she treated me as one of her own. I'll never forget the memories I made with her, from bonding over our love for Snickers, to the lunch date Gerilyn, her daughter Sabrina and I went on to Peking, to the nights I'd sit in their living room and laugh with them over the littlest things. There are no words that can explain how truly amazing she was as a person. I am eternally grateful to have had the opportunity of knowing her.
