To Anne Mary: thank you for including us in Gloria's memory. You know how fond we were for her and considered her as Chantal's sister. It is also thanks to her that Chantal came to Deptford and tha we eventually met and married. We shall not forget.

We would very much like to get in touch with you and your mother. Can you send us your email address so that we can correspond. We use this obituary memorial as we have no other way to get in touch, and hope you sometimes get back to us.

Fondly

“ Sincere condolences. Gloria always had such interesting stories and insights. I remember going over to drop something off with my mom and she was working on decorating eggs in the Ukrainian style. Looked like a very difficult process but they were beautiful.
