“ *I am so sorry to hear this sad news; I will never forget your mother and her kindness to me when I was a very young girl; we did not have the money for me to go to the school picnic and your Mom gave me \$4.00 and said you can pay me back when you have the money and I don't think we were able to pay that money back for a very long time and by then it was long forgotten, but your Mom never said a word about it and I still remember how happy I was that I could go to the picnic and it was all because of her! She was a very kind lady and you were lucky to have her. My own dear Mother passed away almost two years ago and we miss her so much. I watched the tribute to your Mom and it was beautiful - and so was she. God bless you all.*
