“ We want you to know that you and your family have been in our thoughts and prayers for a long time. We wish we could be with you in your time of sorrow but know that our hearts and love are with you always.

The tribute was touching and brought back many memories for Tony and a few for me also. It was very nicely done.

God gave us precious memories we can keep and the hope of seeing each other again in heaven,keep that in mind. All our love, Tony and Janice.
