“ Dear Les and family,

Please accept my most sincere condolences on the passing of Mrs. Riley.

Although I don't recall meeting your mother, it's apparent to me that she was a wonderful mother because she did a great job of "raising" you! I recall many baseball and basketball games that we played back in the 1960s, and you were not only a standout athlete, you were always a gentleman and a good sport---qualities I am certain your mother had a great deal to do with. We were lucky as youngsters to have parents who enabled us to experience the 1960s as true "happy days" while growing up!

Although there is now much sadness, I am certain, in time, that the wonderful memories you have of Mrs. Riley will once again bring a twinkle to your eye, and a smile to your lips, every time you think of her.

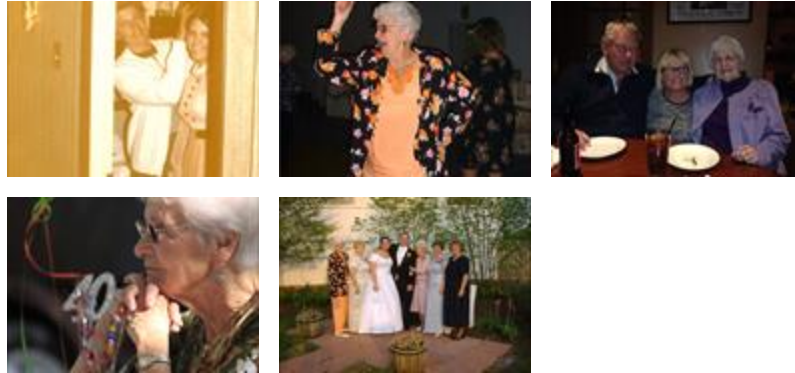

With sympathy,

Bryant Heisinger
