“ Almost 13 years, grandmom. I miss you so much, thank you for being an amazing grandmom,one of the very best. You where definitely the glue that held the family together,now everyone went there separate ways,and haven't heard from anyone in years. I love you and miss you everyday.

“ Ted and Family,
It has been many years since our Boy Scout Days.
Both your mother and dad were wonderful talented person. You mother made such delicious and creative cakes. Over the years my parents and sisters had her make so many cakes to celebrate family occasions. She made my cake when I got my Woodbadge Beads. I also have the leather belt your dad made for me.
You are in my thought and prayers as you go through this great loss.
