“ Frank, Ginger, Nicky, & Dusty,  
Eileen called me this morning and told me of your mother's death. I am saddened for all of you. The loss of a loved one is a difficult thing to overcome. I really liked you Mom. My most vivid memory of her is her baking all through the night. I used to talk to her as she baked. She was a great baker & cook. Until this morning, I did not know you all had an older sister. Do you all see her and embrace her love. When it comes down to the basics, all we have is family. All I can say is to just love one another and be kind to each other. Kindness is so important.  
Love,  
Rodie
