“ Aunt Delores (which was how we knew her) was such a warm person and will be sorely missed. Visiting with her and Aunt Bea was always a highlight of my annual trip to Philadelphia. I think of her often as I have a picture of all of us in my kitchen. I send my condolences to the whole family. With much love and sympathy,  
Your cousin Heidi

“ Please accept our sincere sympathy in the loss of your mother. Dee was an exceptional/unique woman. The last time I saw her was last year and we had a great conversation about when I used to babysit all of you. She told me not to be a stranger and visit her, which I never did; and now she is gone from this earth. I will keep her fond memories in my heart, as I know all of you will. You are so lucky to have your mother with you for as long as you did.
