“ CHIP..

*You were the I can do man. If there was a problem, Chip would fix it. Nothing was ever too big of a problem. Your relentless , strong, and determined spirit lives on in your beautiful children. The memory that stands out most in my mind is our 4th of July barbecue , when you carried our frail dad to an outside lounge chair, so he could visit with family and friends, knowing it would be his last . Your great love and compassion will live forever in our hearts. We will miss you.

*To Chip's family,
Chip was a good friend whom I met via golf. We enjoyed playing the MINI at several courses including the Eagles' Nest, White Oaks, and Town & Country. He was a friend to all and enjoyed the rounds of golf and the 19th hole at these locations. He always enjoyed the competitive nature of the game and was always a joy to play with and against. He dearly loved his family and I was fortunate to video tape one of the graduations of a daughter years ago. Chip, you will be greatly missed by our golf friends and me. Rest in Peace until we meet again.*
