“ A tribute to my dearest, dearest Mother...How much will I miss you? You will never ever know! Through my tears I know, Mom, that you are now blissfully happy in Heaven with your true love. Look down upon us as we still need you so. Help us get through this terribly sad time with losing you. I was the luckiest little girl to be your firstborn. I shall cherish my childhood memories with you and Daddy and carry them forever in my heart. I want you to know that your spirit will live on and will dwell in my home always and always. As time goes on without you, help us with our heartaches and help us rid this void for tomorrow. May you and Daddy forever be on "eagle's wings." My undying love, Bonnie

“ We just wanted you all to know that you are in our thoughts minute to minute right now and in our prayers each day at this difficult time for your whole families.

Dory, your Mom is so lucky to have such a wonderful, loving, caring, and thoughtful daughter. She would be so proud of all of you for your love at this time and for the way you are handling everything. Mom is looking down on you with happiness to no longer be in pain and to be with your Dad.

You are all a real tribute to her. We know all too well how hard it is to lose Mom at whatever age. We are so with you on Wednesday night and Thursday, and we will be praying non-stop with our friends and family then.
