“ Phyllis and family, we are truly sorry for your loss. Living next door for 41 years, we have so many happy memories and we feel a great loss too. Howard and Ron spent many afternoons discussing world events, neighborhood happenings, tomatoes, lawn and pool care. Howard's advice will be greatly missed! If there is anything we can do, don't hesitate to call or stop by. We love you.
Love, Shirley and Ron

When I talk to my dad, he always answers in a funny way, but I know he's listening. Now, my dad has another friend up there to have fun with and take care of all of us here. Just remember he will always be there if you let him. Lots of Love, Debbie and Dave(paper man)!!!

“ I wish to offer my sincere regrets in the loss of Uncle Howard. I am so glad that you were able to make the video as it atleast gave me a change to reflect on all the memories I had of him.

The conversations we had and all the advice he gave to me. I am sorry that I will not be able to be there as I always felt of him as a second Dad. Please know that although I can not be there physically, that I will be there in spirit and prayer.
All my Love to all of you. Brian
