

Issac Dow

September 14, 1944 - May 11, 2020

Issac “Ike” Dow, Jr was born on September 14, 1944, in Camden, South Carolina to Bernice Kelly and Issac Dow, Sr. He had two brothers: Almo (who preceded him in death), and Wallace Spellman, whose close company was enjoyed and cherished by Ike regularly. On May 9, 1969, Ike married the love of his life, Cynthia Moody, enjoying 51 years of marriage together. Their union produced three children: Craig, Cameron and Kelly, and three grandchildren: Morgan and Raven Dow, and Aubrey Sidowy.

Ike worked for the New York Police Department and retired as a Detective with the Housing Authority. During his career, Ike enjoyed being an integral part of the Police Department’s Bowling League where he won many awards and trophies over the years. After retirement, Ike struggled with complications from diabetes and while it was tough for him, he never lost his bright outlook on life. He was a very proud man; an independent man never wanting to be a burden on others. Eventually, in his free time he would read the Bible for comfort and began studying with Jehovah’s Witnesses. Ike enjoyed what he learned and it had a very positive effect on his life.

Sadly, COVID-19 took over his life rather suddenly, however thoughts of happier times will remain in our hearts and minds. Ike’s kindness and generous spirit will be missed. He believed in the Bible’s promise of a resurrection of the dead (Acts 24:15), and we look forward to seeing Ike’s

bright, wide smile and hearing his hearty laugh once again in the near future.

Issac is survived by his wife Cynthia, his three children and grandchildren, daughters-in-law Renee and Takeyce, son-in-law Alex Sadowy, his brother Wallace Spellman, and a host of loving friends and relatives who have enjoyed many good times with him and will remember him fondly.

Ike was my partner in the NYC HOUSING POLICE IN THE 1970s. He was a good man and a good friend. I pray for him and his family and I will never forget the laughs we had and the friendship we enjoyed.

“ *I really don't know how to define my relationship to Ike Dow because he's my best friend's father, but also a surrogate father as much time as I spent in his house as a child. I remember how he used to have Kelly and I sing and ask us questions constantly engaging in real conversation... and vacationing in the OBX as adults, after losing my own father 10 years ago always filled a void in me. Thankful for the memories ❤️.*

“ I’m deeply saddened by the news of Uncle Ike passing. My fondest memory of Uncle Ike was vacationing with him in the Outer Banks and seeing him doting on his granddaughter. I’m looking forward to the fulfillment of Isaiah 26:19 and being able to see him and other love ones again.

My heartfelt condolences to Cynthia, Craig, Renee, Cameron, Takeyce, Morgan, Raven, Kelly, Alex, Aubrey, Wallace and extended family and friends.

“ I just wanted to say a few words about, not just a friend of mine, but a father figure.

Ike and I used to talk about various topics, such as; life, Sports, different types of entertainment, food, religion and most importantly, Family. I remember each time the entire family was over his house, he sat at the kitchen table just watching everyone, with a big smile on his face. Man, that smile was so infectious. If I had things on my mind, I would go to Ike and he gave me advice and made me feel better.

Lastly, Ike will be missed by many people. He made a huge impact on my life and I will never forget him. We will keep your Legacy alive.. Aubrey will know how much Pop-Pop loved her.

I’m miss you dearly, buddy.
