“ *Words cannot express what Jack meant to me and my family. Since I was a child he always was kind to me and made me laugh. From my earliest memories at Aunt Rosalie's and Aunt Tiney's house, to the later get togethers in my adult life. He and Sue were always there when we needed them, especially during the tough times in my family. He was one of the kindest souls and one of the most admirable men I ever knew, from being a great family man to a true hero who served our country. I will cherish all my memories with him , and will miss him. My condolences on behalf of me and my family.*
