“ My deepest sympathy to the Orr family. Jackie was so sweet and nice to everyone. I have fond memories of our family summertime picnics at the lake. I so grateful she gave me a photo in 2006 of the Mahaffey girls with grandmom and it will always remind me of her kindness. My thoughts and prayers are with my cousin Jackie and her family. “ Jackie was the funniest women, she always made me laugh. She was my sisters next door neighbor, and we loved when she came over on the deck to party. She never let you know she struggled but God Bless her she is in heaven now.

“ We are so saddened by the loss of Jackie. She was my coworker and friend. Through her battle, she still always joked, helped out, and had nice things to talk about..never one to call attention to herself or her battle..quite a modest woman. Only peace, possitive thoughts, prayers and hugs go out from us to her family and friends .She will be greatly missed.

“ My deepest heartfelt sympathies go out to the loved ones of Jackie. She was a coworker and although we didn't have an opportunity to socialize, Jackie always had a smile on her face and kind words to share when our paths crossed. I will never forget one of the last times we spoke, Jackie had a client to transport from a nursing home where my nephew works. She commented on meeting him and went on to say what a good kid he seemed to be. Even through her battle with cancer she remained strong, positive and caring of others. Her strength and thoughtfulness are an inspiration and she will be missed. May God be with all of you.
