“ I worked with Jackie at the Woodbury School District and I remember being so happy for her when she retired. Jackie was a very kind, sweet and funny lady. She was also one of the finest custodians I have ever worked with and cared very much for the buildings she helped maintain over the years. I am shocked and saddened by the news of her passing. I will cherish the fond memories I have and my sympathy goes out to her family.

“ I am so sorry to hear of Jackie’s passing. I worked with her at Walnut for years and she was a true friend. Jackie’s love and devotion to her family was unmatched! She was an amazing mother and when Ben got sick Jackie was a true warrior. I know she is reunited with Ben now and she will Rest In Peace.

“ I worked with Jackie for many years in Woodbury. She was extremely thoughtful, hard-working, and gregarious. She loved her family immensely and spoke of them with great pride. She will be fondly remembered and greatly missed. Deepest sympathies,

“ *We met some 40 years through Jackie's brother Billy. We became fast friends and lived 2 doors away from each. Our kids played together. Jackie loved Bingo, the Casino and the beach. We would spend hours at night playing Yahtzee after our children went to bed. We did so much together. Although we lost track of each other through the years, I still considered her a cherished friend. She was beautiful inside and out. Fun, cocky and stood her ground. The best mother children could ever have. The best sister to her brothers who are here and the ones who left us to soon. A great wife to Bennie. We just reconnected after I moved back to NJ from Arizona. Made plans to get together after the holidays. I so wish that would have happened. She was a good friend to many. She will be missed. Rest easy my friend. See you on the other side. We'll play some Yahtzee.*
