“ *Tasha and Claudia*

I am moving back to Deptford and thought I would look Jim up and found this instead. I am very sorry for your loss. Jim and I worked together for many years at 2 asbestos companies way back when. I remember coming to the house to drop off and receive samples almost every day. I always wonder what happened to him since GA Environmental went bankrupt. He was a great friend to me.

“ Uncle Jim, I couldn't have been blessed with a better Godfather. You taught me so many things by your words and actions. The honesty and wisdom you shared with me over the years will stay with me forever. Life will not be the same without you but, your memory and legacy will live on. The love and affection that you showed Aunt Tasha and Dia is truly magical. I enjoyed having you as such a special part of my life and I am sad to have to let you go. I love you! “ My lovely sister and my beautiful niece Dia, I am so sorry for your lost. Jimmy was one of the nicest and sincere person in my life. As you know I was his favorite sister-in-law (smile). I know for a fact that He enjoyed every moment in your lives. He was a devoted husband and a father. He did everything he was suppose to do. So now it is His time to be in peace with his beloved GOD.
