“ Thank you Grandpop for always being there for me when I needed you. For picking me up every day at the bus stop so I didn't have to walk home with a heavy backpack and for never getting mad when you had to drive all the way to the school because I missed the bus again. You taught me how to play Tiles and Sunday night dinner and games at Grandmom and Grandpop's was always the highlight of my week. I know I didn't say it a lot, but I love you and we will all really miss you.
