“ *My Dearest Heather. Words cannot express my sorrow for your loss of your dear dad during this difficult time. I want to share my favorite memory of him when he was with your mom. It's the same memory I shared with you Saturday night. He used to take a cooler and drive over 1/2 hour to the Baskin Robbins in Burlington to pick up your mom's and my favorite ice cream. We so looked forward to that. Know that I love you and am here for you.*

To Linda and the rest of Jim's family, I am sorry for your loss and know that you are in my prayers.
