

James P. Festenstine

August 6, 1930 - December 28, 2020

James (Jim) P. Festenstine was born to Jacob and Mabel (née O'Hara) in Philadelphia, PA on August 6, 1930. He passed away peacefully at home in Cherry Hill, NJ on December 28, 2020. He was the husband of the late Doris Festenstine (née Huffnel), father to Michelle Gugel (married to William) and Carolynne Freese (married to Andrew), grandfather to Sydney, Jake, Amber and Emma, and great grandfather to Bentley. Among many other relatives and friends, he will be particularly missed by his nephew and best friend, Jim Hatala. He also leaves behind two pets, his dog, Bella and his horse, Faith.

Jim served in the US Army during the Korean War, as a fireman and with combat artillery. He battled the devastating fire along the 38th parallel in Pusan, and received numerous medals for his courage and service to his country. Upon returning from Korea, he worked as a boiler operator, ran the family farm and with other family members owned and created Lions Lake Park in Voorhees, NJ, which has become a historic park. Thereafter, he became a jitney owner and driver in Atlantic City. In retirement, he focused on spending time with his family and enjoyed frequent cruises with his wife, Doris. He relished playing his guitar and having many conversations with family and friends for whom he served as mentor and confidante. His large circle of friends and family will sorely miss his big grins, warm personality and deep insights.

“ Uncle Jimmy you will be deeply missed. I will miss our long conversations about our family history & all your wisdom about life. You helped my sister & I to get our first car by loaning us money for the car. You were there for us when my mom was sick & passed. I hope you are at peace & with Doris & your family. You & my mom can now ride horses together as you did as kids❤️
