*I worked with Jim for a long time. He was always pleasant, and liked to laugh. He worked hard and back then his life centered around his children. His time was too short. My most sincere sentiments to his loved ones.*

“ Dear Family of Jim Van Haren,

*Please accept my sincere condolences on Jim's passing. From our years in the Deptford Little League through the years as teammates on the track team at Deptford High School, Jim and I were good friends---I always found him to be kind and considerate to others--a true gentleman. I have only had the pleasure of "running into" Jim once or twice since those long ago days, but we quickly recognized one another and remembered some of the details of a championship track season.*

*Although there is now sadness, I am certain, as time goes by, that the wonderful memories you have of Jim will bring a twinkle to your eye and a smile to your lips every time you think of him.*

*With sympathy,*
