“ *I offer my deepest sympathy to the Lynch family.*

I am very thankful for all that Jim did for my grand daughter Julia. Jim was always very respectful to me and gave so much to Julia and other youngsters in the softball program. It is a great loss for all that came in contact with him.

He will be sadly missed by many.

Thank you Jim for all that you gave and did for others.

“ I am truly sorry to the Lynch family for their loss of a great man. I had the honor to meet James during a birthday celebration and we had wonderful conversation with myself, my wife and James. He told about his battle and some of his life and was just amazed at the courage this man had and that he never gave up fighting. To James, thank you for the privilege of meeting you, for you sharing your life with my wife and I. May you now rest in peace.

Sincerely,

Michael and Barbara Bennett

“ Uncle Jim will forever be one of my favorite uncles and always will hold a special place in my heart! He was an awesome dad to my cousins. We would always talk football and who was better, his darn Seahawks or my colts. We enjoyed sharing our October birthdays too. He honestly was the coolest person to be around and I always thought no one would ever be as tall as him lol. I missed his presence, but never forgot about him! Jen & girls, may you always remember all the great times you had together! Zach & Jimmy, know that Jeff and I are always here for you and love you lots! Heaven got an amazing angel and he will always be watching over us now! RIP uncle Jim <3 love alway, Steph xo
