“ I wanted to express my deepest sympathies and condolences to the survivors of Jim Morrison. Though I only knew Jim for a few short months it seems that I've known him for much longer. I was shocked to hear the news of his death. Me along with 2 other Ferguson Associates with Jim no more than 2 ½ weeks ago and of course he was in seemingly good health getting ready for a vacation with his family. Again my prayers are with you and I will certainly be making a contribution to the American Heart association in Jimmy's memory. - MMC
