“ *I hope it was a wonderful day- it soduns like it was. I can't believe you had to talk- that is a tall order. I bet you did a stellar job.I remember that the day of my grandma's funeral (almost 3 years ago) was tiring but wonderful. The funeral was incredible and after we'd all had food and a nap the girls (aunts, cousins) gathered in her room and went through her clothes and things. We talked and remembered sweet or funny things about Grandma. One of the best moments is when I caught Grandpa watching us- he had the biggest smile on his face. I knew he was thinking about how happy it was making Grandma to watch us all together.*

“ May GOD comfort you all. Lloyd was a great man and friend to the Frazier family and will be sadly missed. I loved the stories my Dad would tell about their road trips together. "We'll stop to eat at the next stop, ok the next stop, ok I promise the next stop", "are you awake back there". Enjoy Heaven!

“ Ill always remember Uncle Lloyd with a big beautiful smile on his face whenever I saw him. He was such a kind, funny, generous, and caring man who loved his family more than anything. I know he is now in the arms of his mom and dad, and at peace. I will always cherish the times I had with him and am so grateful to have seen him and spent time with him a couple years ago. Rest in peace Uncle Lloyd. I love you, Jennifer
