“ *What a great man, friend, boss and a true legend. I worked for and with Jim during my time at DuPont. His words of encouragement and advise helped me mold my life. Some of the most memorable times of my life were the trips taken riding with him and others on our usually annual trips. From the Eastern Shore of Maryland to the beauty of Lake George, New York what fun we had! I regret that I didn't enjoy his company in the later years, but everyone has their own course in life. My sincere condolences to Sandy and his children. Sincerely, Dave Hindman*

“ *Hello Uncle Jim, I wanted you to know that you where my first hero. You where the Man. You showed us many things in life how to drive a boat , water ski, how to do a back flip and hook a fish. And i think it was mostly the Pompadour and duck tail hair cut. You always made an effort to stop by when you where in the neighborhood and I lived in some funny neighborhoods. Always with a smile and kind laugh we will miss you. Love Albert Cassie's son.*

“ I had the pleasure of calling Jim my friend for many years. We shared an interest in motorcycling and shared many, many local rides and lunches. He invited me to participate in his Americade adventures several times at the Twin Birches in Lake George, NY. He was a highly skilled rider who led us all around scenic New York and Vermont at a brisk clip. We rode together to the Retread Rally in Montrose, Colorado for more great scenery and male bonding. Health slowed him down in recent years but he never lost his adventurous spirit.  
He was a great husband and father, something he did not pick up from his own dad.  
RIDE ON JIM !!

*Jack and I were close friends of Jim. We first knew of him when Jack joined the lion tamer's club. Among everything we did there and many outings over the years we became close friends. I especially remember the trip out west we took with Jim and Sandy and Stan and Kathy beans. We had a ball. Now that I live in Florida I went Motorcycling with the retreads that Jim belong too. It was great to see him again when he and Sandy would come to Florida for the winter. Then we cycled together. He was great fun to be with at all times and I'm going to miss him even though I don't see him much anymore. My best to Sandy and the rest of his family.*
