“ We're coming up to your birthday week! We would celebrate at work me and you with a pizza lunch. You would say hey Lisa know what's coming tomorrow? Yes, Jimmy its pizza lunch day! I don't have you to remind me anymore. So every year I put the date in my calendar and circle it. I still cant believe you're not here to kibbutz with I so miss our conversations and I so miss you!

“ Words can not express how much you will be missed. The sorrow we feel from not hearing your voice on the other end of the phone simply saying "hey what's up?" to missing your company and generous spirit is indescribable. You are loved and truly missed by Bunny, Ray, Raymond, and Albert. Until we meet again we will hold you in our hearts. Love you forever.
