“ Dad, You are a strong, yet stubborn man, you have taught me so many things in life. You will always have a special place in my heart, as you look down on us, and protect and guide us. You will never be forgotten. Until we meet again in heaven. I Love you Daddy.

“ Dad, You may be gone from this world but I know that you are an angel in heaven looking down on the girls and I. I love you forever! I listened to the song "Dance with my Father". I wish we could have one last dance, save me a dance when I get to be with you again in heaven, we will dance in the clouds. Keep watching over us Daddy! We will miss you.
