“ Joyce, Jenn & Jamie - Although I am many miles away now, you have often been in my thoughts. I was sad to hear about your loss. I am unable to watch the video, but I am envisioning some of the old dance recitals, Bunko parties, and just plain ole' laughter that we shared. God Bless you!

“ Joyce and girls:  
We were completely without words when we heard of Jim's death. I wish I knew so that I could have urged him to pursue medical attention at the onset. He and I grew up together since 2nd grade. Yes, we did many things we shouldn't have such as building a two seater bike that resulted in stitches under the chin and on the elbow. Another was a home made motor bicycle that netted us a warning from police that it was illegal to run it on the road without a license. And then there was the time we all took Mr. Dally's, (the local plumber), cast iron bathtub from his driveway and put it in the intersection at Hedding. Then there was the time he rolled his, (or was it Dad's), car when on leave from the Navy. I could go on with a lot more. He was truly a good friend. Our prayers are with you all, Dottie, George and family, and his Mom.  
Love, Fred and Kathy

“ Joyce & daughters, mrs. Hay, & Dottie & Family, I was just thinking about Jim a week or two before he passed away. I would see him once in awhile before his mother sold her house and then time just drifted on. Jimmy was the first kid that my brother and myself would play with around the big town of Hedding, I guess I was about 7 or 8 at the time. he was a real great friend from that time thru high school.and beyond.You know there was a time when Jim had a go-cart, and a dog. I was running behind the go-cart being I wanted a ride, but his dog did not see it that way and bit me (she thought I was going to hurt him).I was more upset about the hole in my pants than being bit.she never bothered me before that or after. my best to all of the Hay Family. Jim will be missed by all those he touched!!!!!!! Ken Volcskai &Family MY PRAYERS ARE WITH YOU ALL

“ Joyce and family, Please accept this small token of condolence for your great loss. I met Jim just once over a pink rose bush, and he impressed me as a warm, gentle and caring man. Seeing these photos of him with his family--whom he clearly loved so dearly--only strengthened that impression. With sincere sympathy, Dru Hammell

“ My deepest condolences to the Hay family. I worked with Jim for 26 years at Airwork/Dallas Airmotive and will always remember Jim's sense of humor. He helped to train me when I first stated work there. He was a good mechanic and engine tester and everyone went to him for information because of his knowledge. In all the years, I never heard a bad word spoken about Jim. He was well liked by everyone.  
Again, I am very sorry for your lose.

“ On behalf of the Dallas Airmotive (AIRWORK) Millville Hangar I send our sincere condolences to Joyce and the Hay family. We were all saddened by hearing of his passing, but remember the wonderful man that he was. We all remember his pleasant manner and willingness to help at any opportunity.

I personally worked with Jim not only here but at Falcon Jet. I remember how it was nice to have someone I knew there with me as we transitioned into another chapter in our lives.

Our thoughts and prayers are with you. May God's peace carry you through this time.

My prayers are with you and your family during this difficult time. My father, also an avid NASCAR fan, passed away in 2005 and looking at the video tribute of your father reminded me of him. I'm sure they are up there chatting away about the last race. Hang in there, you will get through it.*
