“ *Dad, Its been four long years without you here. It seems like i miss you more and more each day..I want to thank you for being part of my childrens life and giving them awesome memories of you and being part of there lives.. I was soooooo happy to see the look on your face as you were watching sissy in her christmass band concert.. The memories you gave both of them i know they will treasure forever. You were there for me and the kids and were proud of that. You were a very proud grandpop and wow that gave me such a awesome feeling.. I miss our talks, your stubbornness. I wish you were still here with me at times i catch myself saying DAD I NEED YOU WHY DID YOU LEAVE.. But then i realize you are always with me in my heart and soul.. I LOVE YOU DAD AND MISS YOU ..*

I worked with your Dad with INS and he worked for me in Maryland. Jim and I were dear friends Masons and former Law Enforcement. I miss him and know he loved his family. We talked a lot on our long trips going to and from cases. RIP my brother. God bless the family. Richard T Chance Richmond, Virginia

“ I am so sorry for the loss of your dad. I did not know he lived so close. Actually the boys and I, Jim and Joe, were told he died about ten years ago. It's ashame because he lived so close and never got to know them.

If any of Jim and Joe's Aunt's or father get to read this I want you to know that I always think of how you are and wish you all the best. All the Mcnally's and I are sorry for your loss and hope you are all in good health and have happiness in your lives always.
Sincerly, Dawn Juliano and James and Joseph Schissler.
