“ Jim I can't believe you are gone. I don't want to imagine life without you. Sorry I didn't call on your birthday but you were in my thoughts everyday. You weren't perfect and at times sure made me crazy. I chose to see past your faults because you had so much good in your heart. I wish you knew how many people's lives were touched just by meeting you. Your last text to me from a couple weeks ago will be cherished forever "sweet dreams to you Kath say hi to mickey mouse for me love ya". Until we meet again one day sweet dreams to you and love ya too!! You will never be forgotten!!

“ My dearest Jim, It is so hard to believe that everything is finalized and you are no longer by our side. I know you are looking at us from above but it was so overwhelming to see the turnout of everyone to pay their last respects to you. You have touched so many lives and helped so many people in your 48 years and I guess the Good Lord had much better plans for you, however, you were not to leave us so soon because you said you would take care of us in our later years. You have left a wonderful legacy for everyone to remember forever. In our hearts forever, Mom and Dad

“ I was speechless when I heard of the tragic news of Jim's passing. I had the pleasure of working with Jim in the ER until I became a paramedic and transferred to the medics. No matter how busy he was he would always take time to give me a hug and tell me how proud of me he was when he saw me in passing.
He was the perfect example of how a nurse or any clinician should treat a patient in their time of need. He will be greatly missed.

“ I remember getting to know Jim in high school. He was a menacing giant on the football field, but a really nice guy off the field. I didn't really get to see him again until the class of 84 reunion, where I was on a first date with my wife Stacey. He sat and talked to both of us that night, and we will never forget it. I know he is in heaven now, because that is where the good ones go, and he was one of the best. Our thoughts and prayers go out to his family.

“ My condolences Love and Pray to the West family.
Jim has touched my heart deeply with his kindness. My family and I will never forget our 1st meeting, We had just moved onto the block and he came to our home and said; Hello I'm Jim I live down the street, I just want to welcome you and let you know my friends and I hang out by my house a lot and your welcome to come down anytime, I know your not from the area so think of me as a new friend and know your welcome he was 18.
The West boys were my 1st friends in the area, and I thank them both!!! The last time I seen him, he was working at Underwood, and I had just started, in Jimmy West fashion, big heart warm smile
“Glad to see you, you will like it here, if you need anything or anyone gives you a hard time come see me, I've got your back girl.”
Thanks Jim for your kindness and friendship!! You left us with our hearts touched deeply!!!

He, his children and mine would love to go to the Chinese buffet to eat. He always made every occasion so special with his brand of humor. We became close friends while working the fast track in the ER. I will never forget him. I know he is in Heaven. We spent hours talking about the Lord and his personal beliefs in Christ. “ We have known Jimmy for years and with out a doubt he was the nicest,most caring person we ever met. He would go out of his way if he saw us to say hi and come over and give us a hug. If you ever heard someone talking about Jimmy it was always what a great guy he was and how Jimmy made a impact on their lives. Jimmy will be missed very much by so many people. God Bless You Jimmy and may you be at peace forever. xo

“ *The West family,
Whenever I saw Jim, he always had kind words to say and a smile
on his face. I met him at UMH about 20 years ago, and knew when I
met him he was a kind soul, and truly cared about his patients. I am
so sorry for your loss.

“ Jimmy, I remember you and I slow dancing at Monongahela's middle school dance that took place the summer before all of us kids went to the middle school for our very first time. We met right before 8th grade. We had a fun summer together swimming at my house. We were going to meet in junior high no matter what but God was good and allowed us to meet a little earlier by chance. Glad I got to see you at our 25th reunion. Rest easy my friend. My condolences go out to Jim's family and children. .

“ I was shocked and shaken to hear of the untimely death of my good friend Jimmy West. What a kind and loving man! I had the honor of working with him for many years in the Emergency Department at UMH. Jimmy always showed kindness and compassion to his patients...they came to ask for him by name!
I will miss his smiles and hugs. He always put a smile on my face as he told stories ..especially about how much he loved his kids and his amazing mom. I remember telling Jimmy that my husband and I were expecting our third baby. His face lit up, and he told me stories of his mom, and all the things she did for him. He adored her.
Jimmy, I love you. I'm so glad to know that I will see you again in heaven one day. Until then.

“ Uncle Jimmy, I will miss you so much. You were such a great man. You had such a big heart. I wish I can see you. But I know you're in a better place now. You were the bestest uncle a niece could have. I'm going to miss always seeing your big smile and laughing at you randomly. I know your up with my dad... You guys are probably up there doing something crazy. Cant believe your really gone. I couldnt imagine you leaving so soon. I love you more than words could describe. You were the best uncle Jimmy. Watch down on me. I'm going to dream big and get a good job and a good education for you like you always said. I love you and I'll miss you so much. Now your just an angel in heaven. You have no demons inside you anymore. I love you..
