“ Aunt Janet, I love you more than I can put into words!!! You were an angel on earth and a true gift to heaven! You were the glue that kept our family together and the rock that we needed when times were hard and NEVER didn't do everything in your power to make our lives easier or our days brighter! You were there for me always and now that your gone I have no idea what I am going to do without you! But I know that you won't have to suffer anymore and I'll take all this pain because I know that! I'll always remember our song and the memories you have imprinted in my life!!! I will live each day for the rest of my life trying to be as good, strong, courageous, beautiful, and selfless person as you were! Say "Hi and I love you" to Poppy for me. And even though we were mad at first we know that you and Grandmom were MEANT to go to heaven together! Until we meet again look over our family and help guide me when I need you! I LOVE YOU FOREVER AND ALWAYS!!!

“ To All of Janet's family, I am deeply sorry for your tremendous loss. Janet was very fortunate to have such a loving family. You not only supported her through her illness but you gave her the peace of mind to leave this world knowing that you would all be ok because you have each other. It was an honor to spend Janet's last hours with such a wonderful family and I'll never forget the love you shared with me. I will pray for the healing of your hearts. Love Debbie

“ Janet, You will always be the wind beneath my feet. I will carry you, my beautiful sister always in my heart. You told us all that mommy was going with you, but we never seen it coming. We were so blinded by losing you, we didn't see her pain. She never showed us her pain. Her heart was broken as was ours, but she just couldn't go on without you. Till we meet again. Love forever and a day. Cookie

“ To the entire Allen-Wooten family; Our deepest sympathy goes out to each and every one of you. Janet was such an incredible and amazing wife, daughter, mother, sister, aunt, grandmother and friend. She was one of the most caring people I have ever met. She was very good to me & my family for the 20 years we were friends & neighbors. My daughters adored Janet. She never missed their birthday or let a holiday go by without making it special for them. She welcomed us into her home & into her life. I am so grateful to have known her. She was a great friend. I have so many fond memories of Janet and I will cherish them forever. I take comfort in knowing she is no longer suffering and in the loving arms of her father & mother. Rest in peace my dear friend. I love you and will miss you terribly. xo
