“ *jason was a very happy, caring and considerate guy for everyone in his family. Always had a word of kindness for whom ever he was talking to. I made him laugh a few times and I'm glad for that now. You will be in our hearts, prayers and minds forever. Love joanie and dan.*

“ Jason was such a good friend to my children and I. We always called him “Tool Man” from our time in the furniture world. It doesn’t seem real that we will no longer see him around town. So truly sorry for your loss.

“ *God bless you Jason,*

You were such a good man and always there for anyone who needed help. I was so proud of you when your Grandmom and your Mother died. You were the rock that held everything and the family together!!! But that was YOU!! Taking charge and doing what needed to be done. You had big shoulders my friend. This is such a shock!!

“ *Jason I'm gonna really miss you and miss our talks just about life! You were truly a gentle and caring friend. I'm at a loss for words, I wish I could have seen you one last time and talk to you. You were too young to go but I am sure you were needed as another angel that will be shining down on all of your family and friends. My condolences go out to the Lodge family and to your wife. My thoughts and prayers are with you all. God bless!!!*
