“ I've known Jean my entire life, she was a great friend and neighbor for years to my parents and I . I have many memories with her from going on trips to the lake , many barbecues in her yard where her and Mr. Hentschke would cook amazing on the grill . Many yard sales with her & my Mom and of course she showed me the ropes on how to use a CB radio , we had many laughs with that ! If I rem correctly her handle was “Washlady” and Pauls was “Shark-bait”. Her blender cheesecakes & her amazing pizzelles were always a special treat she'd send down the St. to us . She was always so sweet to me and treated me like her own whenever I was in her presenceI will never forget you Jean and all the love & kindness you showed me
❤️ Thoughts and prayers to the entire family

“ I'm so sorry to hear of the passing of a very dear friend. We go back years, she was a great person n friend. I used to tell her you need to stop smoking, she would laugh n just go on smoking like a steam engine. I haven't seen or talked to her in a while, but being my friend way back in Gloucester on Wesminister avenue it would be like we never missed a beat. My prayers are there for the family, God Bless you all. Rest In Peace Jean 🙏🙏🙏🙏🙏🙏🙏🙏🙏
