

Jeanette Quiles-Rivera

February 21, 1966 - November 12, 2020

Jeanette Quiles-Rivera (nee Quiles) on November 12, 2020 of Carneys Point. Age 54. Treasured daughter of Jose M. Quiles of Westville and the late Amparo D. Quiles (nee Diaz). Loving mother of Emmanuel A. Rivera of Carneys Point, Bianca Rivera of Penns Grove, Christian Rivera of Carneys Point and Victoria Ramirez of Carneys Point. Cherished sister of the late Jose C. Quiles (Luz). Treasured grandmother of Angelie, Francisca, Adrianna and Adrian Luna. Dear aunt and friend to many.

A caring and wonderful woman, Jeanette dedicated her life to her family, her church, and serving others. Jeanette was well known for going the extra mile in everything she did. Jeanette was a master of wit, constantly joking and creating cheer at every family gathering. Roast sessions were a regular occurrence at her household, and guests were encouraged to join in on the fun. In her church, she was a pillar of faith. If there was a prayer, a lack, or an event Jeanette was the first in line to support. She taught at VBS for many years and the kids knew her as "Mama J." There wasn't a person who didn't feel welcome in her presence. After a church fast, the day would end on a high note with Jeanette feeding people. Jeanette would help translate legal documents, acquire housing, apply for jobs, and overall make steps to improve their quality of life. She was a giver, through and through.

She spent the beginning of her career in Human Resources, carving a way to

success in a field and at a time where women were only secretaries. She leveraged that experience in how she treated everyone. She took the utmost pleasure in lifting other people up by investing her time and resources into their lives. From throwing banquets and dinner parties to spending her free time praying for the people she came in contact with, she gave with every part of her life. She loved learning how to cook new dishes and planning events. On the weekends, she would sit down with her family to watch a movie and find a way for everyone to be together.

Services to be announced at a later date.
