“ To one of my favorite sister in laws,
Suzie, as we all called you, words cannot express how much you will be missed. I'll always remember you and what a true and genuine person you were. You were always so hard working with so much energy, you were always going from dawn till dusk. You were the best cook and baker I knew, you never came to a party or barbecue empty handed. Whenever we had family get togethers you were the first to say "what can I bring?" Everything you made was always delicious, your brother Ray said you were the only one who could make stuffed rigitonis just like your moms. You were the best gardener I knew, your yard, patio, ponds and gardens were always picture perfect. Whenever I was in the area I would drive by your house because it had such curb appeal and was always decorated for the season, you always worked so hard to make everything just so. I'll always remember you when I see impatiens flowers, I know they were one of your favorites and you grew the biggest ones I had ever seen. You were the best decorator I knew, I always admired your country style and charm, your house looked like a picture from Country Living magazine. It was neat and clean always and very welcoming. You were the biggest dog lover I knew, not only your dogs but everyone else's. You always had either a baby in your arms or a dog. I have many great memories of you at all the kids birthday parties having fun with all the nieces, nephews and grandkids. You were so funny and loved to laugh. We would all enjoy those crazy Fountain childhood stories. You were always there to offer a helping hand no matter what, scrapping many layers of wallpaper, scrubbing my bathroom and cleaning my floors when we bought our house. When we all went to NC on our family vacation you were the first one up with the coffee brewing and making breakfast for everyone. You even watched the kids so we could sleep in. I could go on and on telling all the good things you did for me, Ray and our children. Suzie, I'm so sorry you had to go through so much in the end and I know you are now resting peacefully. We will all miss you terribly.
Love, Beverly

“ Kelly, Richie and family, we're so sad to hear that Jeannette has passed. She was such a sweet woman. We'll miss her at the boy's basketball games and all of the school's functions. May you find peace in the multitude of memories that were made with this wonderful lady. There's a bright star in the heavens and it will be shining on her loved ones every day. God bless, love the Kellys (Gary, Carol & Christian)

“ *She was the sweetest neighbor I've ever had. She loved being outside any chance she had. I wish I had the energy she did to go nostonp. She loved her husband and her Bentley (even though she swore she would never have another dog). Madeline and I loved our visits over there we wish we had many more. She will truly be missed on this side of the fence. Sincerely, Natalie Allen*
