“ Jeff and I always had roll call together throughout middle and high school. The last few years of high school we hung out often. I'll never forget the memories we shared together, one funny memory in particular I'll always remember and will keep to myself for just us. Now that I am a mother, I could never imagine what Jeff's parents and family must be going through. May you rest in peace for eternity. Love, Jill

“ I am so sorry for your loss. I always remember Jeff as being a funny and goofy person. I graduated with him and Also hung out with him a few times. Jeff had a big heart. I remember after graduateing highschool we had went to a party together someone had stole my purse and he and another guy went looking for the people that did it.. They did not find them but just that shows what type of person he was he cared! He would of given the shirt off his back anyday for someone I dont know what happened all I kno is he will be young forever and he will look down on you and protect you.. My prayers go out to your entire family during this hard time.. God Bless
