“ *We only met once and spent the day at the UofD library doing our family research together. You helped me find things and shared with me the things you found about our families. I am just getting back into the research and decided to see if I could find you and sadly I did. Thank you for everything and may God bless you and your family.*

“ I worked with Jeff at Ashland. Jeff had an incredible work ethic, enjoyed keeping busy and was a trusted resource. I will miss my friend; his dry sense of humor, his love for 80's music, his engaging personality and our conversations. My thoughts and prayers are with Jeff's family and friends. Rest in peace my friend.

“ Jeff was a valuable member of our coatings team in Ashland. I will always remember him for his ready and willing attitude to help others and to get things done. He had a strong work ethic and one could always rely on him to make sure that everything was done right. We counted on him heavily in terms of his experience and knowledge and valued his friendship. We will miss his presence in our daily activities. I would like to extend our heartfelt condolences to Jeff's family and friends in this difficult time.

“ I used to work with Jeff at Ashland. When times were tough, Jeff was always the level headed one who helped to bring us all back to reality. I remember him as a hard worker, always willing to assist others without being asked. Although a quiet guy by nature, his smile and sense of humor always made you feel welcome. All of us have lost a kind and loving soul. My prayers and thoughts are with Jeff's family and friends. Rest peacefully ,Jeff.

“ I want to send my deepest condolences to the Cox Family. Sending you prayers for peace and comfort at this time. I haven't seen Jeff since he was a wonderful young boy but one thing I do remember is that he absolutely loved sports! We had some great times hanging out at your house playing pool and playing intense wiffle ball games together. My thoughts are with all who love him

“ Jeff and I grew up together in Scottfield. He was one of my first friends made when I moved in to the neighborhood. We often walked to school together. I lost contact with him after moving out of the neighborhood and after high school only to reconnect through Facebook. He always had a way of making me laugh. Good childhood friend! You will be missed. RIP my friend. My condolences to his family.
