“ Debbie and Frank, We are so sad to hear this news. We're going to miss her. She was full of life always smiling. I will never forget meeting you both (Frank) when you moved next door. I believe Jenn said I love your dog (Sakoa) and I knew right then we would be friend's. We've been friends ever since. We're still in shock but I know you are at peace now. I know Aunt Linda. Was there to welcome you home. R.I.P. Jenn until we meet again. We ? you.
