“ Joan was a great sister-in-law, always opening her home to us. I have great memories of Christmas, Easter and summer barbecues. I find comfort that you're with Lynne now. All my love, uncle Randy, and Chris.

“ Your beautiful sweet grandmom is one of a kind. She had a solid heart of gold. She had the best smile and a happy laugh. She made everyone she spoke to feel loved. She never judged. Which is a characteristic that is almost lost on people today. She was so sweet and kind to me when I was a young mother. Always opening her door with a great smile. My baby loved to go to Uncle Frogs on Easter because she was the queen of Easter eggs especially the chocolate ones! He still has the Easter basket with his name on it and the plastic eggs she gifted him at one year old! So generous and so fun. I love her very much and count her as an angel I can still rely on. Please accept my sincere empathy and know that I will keep all of you in my prayers. Love you guys. 💔💔  
I hope this memory tree will help you to remember how she loved her garden and was such a joyful mom, grandmom and friend.
