“ *Beth, the passing of a parent is always a traumatic event. However for them it is time and they are now at peace. For us it takes a while to get used to. You have our sympathy. Remember the good times and there were a lot of them. Take care of your father. We will keep her in our prayers.

“ *Dear Albert and Family, It was a priviledge and honor to know and assist in Joan's care. Through our many visits these past six months, we became friends and I will miss her. I know she was at Peace as her suffering was ending. We both prayed for that. I hold each of you in my heart and my prayers, that God will bless you with his Peace.
