“ My mom and I really enjoyed spending time with Joan at Corey’s wedding last year. She said sincerely to both of us, “so glad you came”.

I really felt the kindness and sincerity behind her words.

I will always cherish that she was my mom’s birthing coach when I was born. She & mom were the first relatives I was with after my birth. ❤️

“ She was a wonderful woman who shared her passion in reading Danielle Steel books with me. She had raised two wonderful daughters who’s friendships I cherish. She loved her daughters very much and extended family. She will be missed! She is now in Gods Loving Arms with no more suffering! Her memory will be cherished by many!
