“ Mom, you were our rock and I cannot believe you are gone. I will always remember the Sunday dinners and holidays we spent as well as everything you did for us. They will never be the same. The only comfort I have is knowing you are no longer suffering and are back with Daddy and I know I will see both of you again someday. I love you mom and miss you so much.

“ *I cannot believe you are gone. I will always remember all the good times we had. Going on vacations, making candy for Christmas and all the holidays we had as a family as well as Sunday dinners every week. Nothing is going to be the same. You were our rock. I love you so much. It's going to be hard coming home from work every day and calling you to let you know I was home. I know you are up there with dad. Please give him a hug from me. I know I will see you both again someday.*

“ *This is so hard for me. I'm going to miss our trips to your drs appts and to mine. Going to breakfast or lunch afterwards. I don't know what I'm going to do with myself now. I lost John and now I lost you. I don't have anyone to hang with anymore. I know you're up there with Pop Pop, John and Christopher now. I can't wait until the day I can be with all of you again, forever. I love you all very much.*

I knew Joan for a long time. You all were very lucky to have her. It is extremely hard when you lose your Mom, you think she will be there forever. It's been 3 years for my Mom and if the phone rings around the time she used to call or I think of something she used to do I would start crying. If you guys need anything or just want to talk I am here for you.

“ I am so sorry to hear this news of Mrs RAUCH passing! She was probably one of the nicest people I knew! She had the biggest smile and the greatest laugh and she raised a wonderful family who always cared about others as much as she did! Family was and is so important to all of them and that is special! I know the girls will have beautiful memories to last a lifetime! She was always a dedicated “Bandparent” and always so nice to me! She will be missed by so many of us who realize what a Blessing it was to have known her! Mary and Linda, you couldn’t have been better daughters to such a wonderful mom! I hope knowing that and knowing how many others are feeling your sorrow, well I hope that gives you strength during this sad time! Sending love and prayers to all of you! Take care my friends! ❤️❤️🙏
