“ *Dear Billy, Scott, and Craig;
I am so, so sorry to hear of Joan's death, and at such a young age. My first memory of Joan is when she was working at Tom's Custard Stand, and I must have been about four years old. I remember going to the outside window with my parents and siblings, and asking for a chocolate ice cream, and Joan would hand me the ice cream cone with such a sweet, gentle smile, and even at my young age, I thought she was so nice and her smile impressed me. Whenever I think of Joan, her teen-aged face with the sweet, gentle smile always comes to my mind. Please know I am thinking of you all.
Love, Linda*

“ Aunt Joan, I will never forget all the times I spent with my parents at your house, as well as the times you and Uncle Bill came over to spend a Saturday night with my mom and dad at ours. I never really got to thank you for all the help you gave me when my mom was sick, and for the hot wheels you always seemed to have for Jacob, when my father would bring him over to see you and Uncle Bill. I love you and miss you Aunt Joan. Tell my mom hello from me in Heaven.
