“ I am so very sorry your loss. I remember Joanne as having a beautiful heart, and smile. She also had the most beautiful, long nails. I admired her ability to be the fastest typist in our typing class despite having those long fingernails. 😊 She could type and whisper conversations and jokes all at the same time! I'm sure she will be missed by her family and friends.

“ I lived one house away from Joanne in Greenfields. We did our first holy communion together. We did so much as children. So very sorry for the loss of Joanne.

“ After many years working with Joanne, I remember how many challenges she had in her life. However, she handled them with a strong determination, while never losing her happy and pleasant personality. Also, she was a coworker and friend, who was always helpful, if needed and kind with everyone. It was really a blessing to have worked with her. I will be keeping Pat and Shannon in my prayers for God's strength, peace and comfort, at this time with their loss.

“ When I think of Joanne and the many years we worked together, I remember her laughter which happened often. Joanne was smart and great to work with, there are so many memories of her that make me smile.

Pat and Shannon were the most beloved people in her life. They will remain in my prayers as the Lord brings them into my quiet time with Him.

“ I grew up down the street from Joanne. We hung out all of our young lives together. As teenagers we got our first job together at Rustlers steak. Her sister took us under her wing as we could be quite the hand full. I have so many memories of my dear friend. You are always in my heart Joanne. Love Kathleen Kuserk Donahue 🙏

“ I will always remember Joanne as a lovely warm and friendly person who truly cared about everyone around her and always did her best to help. For ten years she worked in the office next to mine. I have seldom met someone as dedicated. She was truly exceptional in every way. My heart goes out to Pat and Shannon on their loss and my daughter Sam and I are saying prayers. You had a wonderful wife and mom. Her love is always with you.
