“ Toni, I am so sorry to hear about John's passing. The video tribute is beautiful. I hope you are doing well. I know it's not easy, and the pandemic is making things even more difficult. Take care of yourself.

I'm sorry I didn't know of John's passing until now and was not able to attend the service.

I wanted to thank you for being with my family and me at Fred's viewing. It was a comfort to have so many of Fred's friends there with us. Thank you for the mass card. It was much appreciated.

“ Sending my condolences to my Barnett Family. I still can't believe he is gone, I want to go back to the Christmas party and be sitting there with him, catching up, laughing and drinking his sangria! I am so sorry you are all going through this. Uncle John will be missed so much, by so many. There are too many adjectives that come to mind when I think of him: sweet, kind, funny, loving, special and most of all, my favorite Uncle and beloved Godfather. I will miss him and cherish the many fond memories I have of him. Love you, Rest in Peace Uncle John.
