“ *POEM OF LIFE - Author Unknown Life is but a stopping place, A pause in what's to be, A resting place along the road, to sweet eternity. We all have different journeys, Different paths along the way, We all were meant to learn some things, but never meant to stay... Our destination is a place, Far greater than we know. For some the journey's quicker, For some the journey's slow. And when the journey finally ends, We'll claim a great reward, And find an everlasting peace, Together with the lord.*  
*From the Ross family to yours - we want you to know that you are in our thoughts and prayers; our hearts ache for you as you say goodbye to such a young life. I'll never forget our conversation at Blaines' baseball game - good stuff. RIP John, the pain is finally gone...*
