

John P. Gennovario

August 2, 1960 - May 14, 2026

John P. Gennovario of Asbury Park, passed away on May 14, 2026 at the age of 65. Loving son of the late Veronica I. “Ronnie” Gennovario (nee Bencivenga) and John P. Gennovario of Deptford. Cherished brother of Janis G. Principato (Dominick) and the late Mark J. Gennovario of Deptford. Treasured uncle to Dominick Principato (Lisa) and great uncle of Isabella and Allison.

John was an intelligent, ambitious and independent soul. He enjoyed change, challenge and new beginnings. He never shied away from new pursuits and sought an adventurous life as evidenced in a memorable sky diving jump as a young adult. In recent years, he held the position of vice president of Fund Accounting and Operations in the Chicago branch of Northern Trust. He was career driven and business oriented, which led to many opportunities and endless relocations throughout the US during his working life.

John loved to travel and embark on cruises. He even lived abroad in Germany and Austria for a time. He was always proud of his fluent second language, German and was excited to converse with people he encountered that shared the same dialogue. He was extremely funny and witty and was a great storyteller, particularly when sharing many of his amazing life adventures that could only happen to John.

Sipping bourbon was his drink of choice when gathered with family and friends, coffee was always his daily staple and pizza was his go-to food. He enjoyed warm weather, walking on the beach and boardwalk with his coffee in hand. Not to be forgotten, his pleasant smile, calm blue eyes and easy laugh gave way to his deeper, generous and sincere nature. He was an empathetic listener, with a never-ending devotion and love for his family and a connection shared that will be forever missed.
