“ *in 6 short years I have so many memories I can share about this man who I am proud to call my Father Inlaw.*

From the day I showed up @ your door step to ask you what you thought about me wanting to marry your daughter. And how you made sure I was sufficiently scared before giving your approval. To making sure I knew you loved 6 different college football teams none of which was The Ohio State!!! LOL. To most importantly how you always called me "son" & welcomed me in to your family!

I can write about a dozen more examples that just prove what a loving, fun & loyal man you were. I'm truly grateful to have known you & honored to be part of your family. RIP Pop!!!!
