“ Uncle John you have given me so many great memories especially as a child. Amusement Parks, camping, always opening up your home for all of us pain in the butt kids to swim and hang out and so much more. Taking Kristy to College and including me on a memorable trip as you always did. There's so many memories that I can go on and on. Thank You for always being there no matter what the circumstances were. Your heart was as big as your smile and you will greatly be missed
