“ *My sincerest sympathies to Dolly and to both her And Jack's families. Jack and I worked together for the last 20 years of our Verizon careers in the cable and inspection departments. His quick wit and dry humor kept the workplace enjoyable. We shared similar life experiences; we were both Army Vietnam Vets, we were hired by the phone company the same month, our birthdays were 1 day apart, we both served as union reps at the same time during our careers. I will miss visiting him at the Firehouse Tavern during Bike Week in Wildwood as we have for many years since we both retired.*
