

John Michael Schneider, Jr.

July 2, 1977 - November 12, 2023

John Michael Schneider, Jr., passed away peacefully surrounded by his family and friends on November 12, 2023, age 46 years. Survived by his mother and father, John and Mary Schneider (Mullin); his siblings Jenine Peters (Brandon) of Deptford, NJ; Bernadette Corrigan (Barney) of Westville NJ; Dana Schneider of Jeffersonville, PA; Daniel Schneider of Washington D.C.; his nieces and nephews: Joleigh, Emily, Kaden, Brandon Corrigan, Collin & Gavin Peters. Johnny is also survived by many aunts, uncles, & cousins. Johnny has many surviving friends who are all considered family. Johnny went home to the Lord and is holding his nephew Brett and favorite dogs in his arms. He has many loved ones in Heaven to greet.

Johnny stayed strong through life's many obstacles. Despite many physical and mental obstacles in his life, he has accomplished so much, which included: being a Deptford Township High School alumnus (class of 1995); playing high school football, completing his Associate's Degree in the Human Development Program at Gloucester County College, student teaching at St. John of God/Arch Bishop Damiano School, completing his Bachelor of Arts Degree at Villanova University, then attending the AmeriCorps Program for his Master's Degree in Washington D.C., where he taught 5th grade. Johnny also was a classroom aide at Good Intent Elementary, Central, Oak Valley Elementary and Monongahela Middle Schools in Deptford, NJ.

Unfortunately, Johnny had to leave his educational career due to illness. He has been an inspiration to so many both inside and outside of the Deptford Community. Some of the best times in his life were traveling to the Philadelphia Eagles games around the country, with his best buddy- his dad. Johnny loved having season tickets with his dad to the Eagles games and sharing those moments with family & friends. This poem says a lot about Johnny's outlook on life:

Laughter

Something we need to get us through the day.
Can take away stress and relax you in many ways.

It's a wonderful gift because you never know when you'll receive it.
Feels so good and makes you never want to forget.

How you feel at that time and who brought you that joy.
Makes you feel young, like a little girl or a boy.

If something makes you laugh, embrace the moment.
Because it's something special that can make you feel content.

Laughter is contagious and should be shared with friends.
I love it when I laugh, and will 'til life ends!

“ One of my absolute favorite memories that I’ve ever had so far was spent with Johnny which seems like a lifetime ago!! I would like to share it with all of you....Johnny and I were in Wildwood do a bunch of us decided to go to Keenan’s. We were all hanging out and reminiscing as we had some cocktails and slamming down some shots as well. Keenan’s was playing really good music so most of us made our way to the dance floor and to my surprise my cousin, Johnny was not only out there but he was in the center of the dance floor doing pop a wheelie’s in his chair. Every time I turned my head to look at Johnny he had another beautiful girl sitting on his lap. He was definitely and absolutely the center of the party on that night. All the girls were taking selfie’s with him and he was smiling from ear to ear. That beautiful smile stayed on his face ALL night. Not only were the girls making a fuss over him but so were the men in the crowd. Next thing I knew all the girls boyfriends and husbands started buying Johnny drinks and shots on them even while their girlfriend and/ or wives sat on Johnny’s lap while he continued to due pop a wheelie’s all night on the dance floor in his wheelchair. He did many many pop a wheelie’s that night until he fell over and out of his chair. It was so cool watching everyone just sit back and watch Johnny in admiration!! I know Johnny must have felt like a real rockstar that night and I’m so grateful to have been there with my cousin, Johnny to share such an amazing experience and night. My memories from that night at Keenan’s with Johnny will stay in my heart forever. Whenever Johnny and I seen each other again after that night we would always bring it up immediately and laugh so hard that we both had tears pouring down our cheeks. Thank you, Johnny for being apart of one of my best nights I ever had so far in my life. Rest in Peace and I’m sure when I get to Heaven and see you again we can do it all over together again!!! I love you, Johnny!!!!

“ I played football with John..when i was a senior he was a sophomore. At practice, when running plays, John lined up on me seemed like every play. The reason I remember this was because while most of the other sophomore linemen didn't seem to give full effort, John was intense!! He played every snap, even at practice like it was the Superbowl! Thanks for being a great teammate! Rest easy my friend.
